Directors' Report to Shareholders

Bismillahir-Rahmanir Rahim Honorable Shareholders, Assalamu-Alaikum

We are delighted to extend a warm welcome to all attendees on behalf of the Board of Directors and personally as we convene for the 26th Annual General Meeting of Daffodil Computers Limited. It is our privilege to present the Directors' Report, along with the Audit Accounts and Auditors' Report, reflecting the company's performance as of June 2023.

The global economic landscape witnessed a surge in annual inflation during 2019-20, primarily attributed to the initial outbreak of COVID-19 in China in December 2019. The subsequent years, 2020-21 and 2021-22 saw a gradual alleviation of this spike as trade routes and borders reopened. However, the current situation presents a different picture, with inflation surpassing 9% in 2023.

Various factors have contributed to this inflationary trend, notably the repercussions of the conflict between Russia and Ukraine, which escalated commodity prices significantly. Bangladesh, like other parts of the world, is grappling with supply crises, forex volatility, and a decline in remittances. While policy responses have played a crucial role, it is important to acknowledge that Bangladesh operates as a price taker in comparison to developed economies.

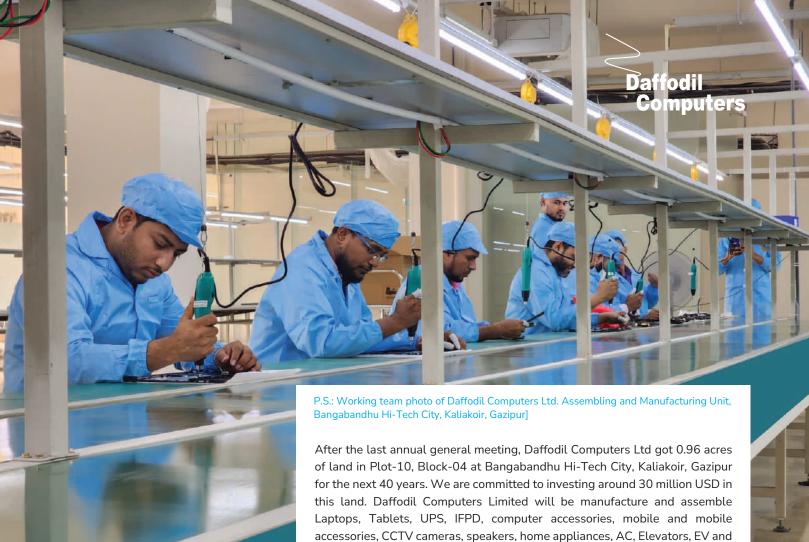

The historical weakening of the Bangladeshi Taka (BDT) against major currencies has been influenced by inflation differentials. Presently, in conjunction with other crises, the BDT has experienced a notable depreciation, surpassing 125 BDT per dollar. While this may be a temporary situation, it underscores the inherent vulnerability of the IT business in the context of the global economy.

In the face of these challenges, Daffodil Computers Limited remains committed to navigating these uncertainties with resilience and adaptability. We appreciate the continued support of our stakehold-ers and remain optimistic about the company's ability to weather the current economic complexities. With best efforts of the management, excellent financial control, extra ordinary care and attention, the sustainable growth of the company with upward trends could be kept continued as is evident from the following comparative operational positions:

We have audited the accompanying consolidated financial statements of Daffodil Computers Limited and its subsidiaries as well as separate financial statements of Daffodil Computers Limited which comprise the consolidated and the separate statements of financial position as at 30 June 2023, and consolidated and separate statements of profit or loss and other comprehensive income, consolidated and separate statements of changes in equity and consolidated and separate statements of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information. The financial statements of subsidiaries disclosed in Note-42.00 to these consolidated financial statements were audited by other auditors and we have relied on those audited financial statements for the purpose of consolidation.

In our opinion, the accompanying consolidated and the separate financial statements present fairly, in all material respects, the consolidated and the separate financial position of the company as at 30 June 2023, and its consolidated and the separate financial performance and its consolidated and the separate cash flows for year then ended in accordance with International Financial Reporting Standards (IFRSs), as explained in Note-2.01 the Companies Act 1994, the Securities and Exchange Rules 1987 and other applicable laws and regulations.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (IASs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the consolidated and the separate Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the consolidated and the separate financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

Without qualifying our report, we would like to draw the attention on the following matters:

- 1) The company has a provident fund (PF) scheme for its employees which has been recognized by the National Board of Revenue (NBR) on 02 July 2019 but no separate books of account for such PF fund is being maintained and no audit of the PF fund accounts has been made till to date though it is mandatory under section 18 of the Trust Rules of the fund. Further, according to section 22 of the Trust Rules of the fund, if any member leaves his/her employment voluntarily before completion of five years and such services has not been terminated for the reason of his/her misconduct, he/she shall be entitled to benefit including employee's contribution and interest thereof not 100% but proportionately which is a noncompliance of section 29 of the Bangladesh Labour Act 2006. No interest has been provided in this account for unpaid amount of provident fund balance which may raise further liability as per law & reduction of profit.
- 2) The company has been maintaining Workers Profit Participation Fund (WPPF) since long, but the company did not properly maintain WPPF account in accordance with Bangladesh Labour Act 2006 as amended till to date, particularly, Section 234, 235, 240, 242 & 248 of the said Act. Moreover, government portion of the fund is yet to be paid. No interest has been provided on unpaid amount of WPPF Fund resulting over statement of profit to some extent.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. Those matters were addressed in context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in the context.

| Property, Plant and Equipments | |
|---|---|
| See Note 4.00 to the financial statements | |
| The key audit matter | How the matter was addressed in our audit |
| The carrying value of consolidated Property, Plant and Equipments as at 30 June 2022 was BDT. 881,526,559 being written down value (cost less accumulated depreciation) as per IAS 16 There are a number of areas where management judgment impacts the carrying value of Property, Plant and Equipment's and the related depreciation profiles. These include: • Determining which costs meet the criteria for capitalization; • The estimation of economic useful lives and residual values assigned to property, plant and equipment. We identified the carrying value of property, plant and equipment as a key audit matter because of the high level of management judgment involved and because of its significance to the financial statements. | Our audit procedures to assess the carrying value of Property, Plant and Equipments included the following: Assessing the design, implementation and operating effectiveness of key internal controls over the estimation of useful economic lives and residual values; Assessing, on a sample basis, costs capitalized during the year by comparing the costs capitalized with the relevant underlying documentation; and Evaluating management's estimation of useful economic lives and residual values by considering our knowledge of the business. A manually maintained fixed assets register is being maintained by the company which was not up-to date. |

| Valuation of Inventory | |

The companies keep significant stock of Computer and Computer goods and Software at its products and services units and stores mostly at its sales points. Inventory valuation and existence was a key audit matter because of store/location that inventory was held and the judgment applied in the valuation of inventory. | We performed a number of audit procedures for inventory valuation and existence. The procedure introduced any others the followings: Evaluated and selected systems and processes for inventory and tested a sample of key controls for establishing volumes and cost; Tested, on a sample basis, stocks of raw materials to actual prices. Assessed the reasonableness of the product and service costing; We were supplied with inventory certificate showing the quality & value of the inventory as on 30-6-2023; and We were to depend on the valuation certificate on the basis of physical inventory carried out by the inventory team formed by the management. |

| The key audit matter | How the matter was addressed in our audit |
| At year end the Company reported income tax expense of Tk. 1,919,483 as at 30 June 2023. The calculation of the tax expense is a complex process that involves subjective judgments and uncertainties, and requires specific knowledge and competencies. | Our audit procedures in this area included, among others: Understanding the process of estimating, recording and reassessing tax provision and contingencies. Involving our tax specialist to assist in analysing the judgments used to determine provisions for matters based on their knowledge and experience of local regulations and practices. Inspecting the correspondence with tax authorities. We also assessed the appropriateness of presentation of disclosures against IAS 12 Income Taxes. |

Reporting on Other Information

Management is responsible for the other information. The other information comprises all of the information in the Annual report other than the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls Management is responsible for the preparation and fair presentation of consolidated and separate financial statements of the Company in accordance with International Financial Reporting Standards (IFRSs), the Companies Act 1994, the Securities and Exchange Rules, 1987 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of consolidated and separate financial statements of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated and separate financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated and the Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, the Securities and Exchange Rules 1987 and relevant notifications issued by Bangladesh Securities and Exchange Commission and other applicable laws and regulations.

We, as required by law, further report that:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) In our opinion, proper books of accounts, records and other statutory books as required by law have been kept by the Company so far as it appeared from our examinations of those books;
- c) The information and explanations required by us have been received and found satisfactory;
